Some Unusual Things for which to be Thankful

- Be thankful that you don't already have everything you desire. If you did, what would there be to look forward to?
- Be thankful when you don't know ... it gives you the opportunity to learn.
- Be thankful for the difficult times ... during those times you grow.
- Be thankful for limitations ... they give you opportunities for improvement.
- Be thankful for a new challenge ... it will build strength and character.
- Be thankful for your mistakes ... they will teach you valuable lessons.
- Be thankful when you're weary ... it means you've made a difference.
- Be thankful for the mess after a party ... it means you have friends.
- Be thankful for the taxes you pay ... it means you are employed.
- Be thankful for clothes that fit a little snug ... it means you have plenty to eat.
- Be thankful for a shadow that watches you work ... it means you are out in the sunshine.
- Be thankful for a lawn that needs mowing, windows that need cleaning, and gutters that need fixing ... it means you

have a house.

- Be thankful for the spot you find at the far end of the parking lot ... it means you are capable of walking.
- Be thankful for all the complaining you hear about our government ... it means we have freedom of speech.
- Be thankful for a huge heating bill ... it means you are warm.
- Be thankful for the lady behind you in church service who sings off key ... it means that you can hear.
- Be thankful for the piles of laundry and ironing ... it means your loved ones are nearby.
- Be thankful for the alarm that goes off in the early morning hours... it means that you're alive.
- Be thankful for weariness and aching muscles at the end of the day ... it means you have been productive.

It's easy to be thankful for the good things. A life of rich fulfillment comes to those who are also thankful for the setbacks.
