Ask for the Old Paths

Christianity is not some newfangled way gotten up in modern times by men more zealous than well-informed. The whole of Christianity is in the New Testament. Anything in religion which is not as old as the New Testament is no part of Christianity. The “Old Paths” for us are the ways traveled by the apostles and early Christians who were guided into all truth by the Holy Spirit (Jeremiah 6:16; John 16:13). The New Testament gives us a history of the church of Christ for nearly three-quarters of a century. You should choose that church today, and make your life as a member of it conform to the New Testament doctrine. —

Sixteen Things that Cannot Be Done

It is helpful to know our boundaries, so that we do not spend our efforts in attempting things that cannot be accomplished.

God's eternal purpose cannot be overthrown (Acts 5:39).

One cannot bear good fruit without Christ (John 15:5).

No person can keep his sins hidden forever (1 Timothy 5:24).

No person can live after the flesh and please God (Romans 8:8).

A person cannot love God and not love his brother in Christ (1 John 4:20).

A person cannot serve two masters (Matthew 6:24).

No one can take anything out of this world (1 Timothy 6:7).

After dying lost, one cannot be saved (Luke 16:26).

One cannot make God be a liar (Romans 3:4).

One cannot enter into heaven by any door but Christ (John 10:1-9).

One cannot enter in after the door is closed (Luke 13:25-27).

One cannot avoid reaping what he has sown (Galatians 6:7-8).

One cannot be justified by the law of Moses (Galatians 3:11; Galatians 5:4).

One cannot be saved by animal sacrifices (Hebrews 9:22; Hebrews 10:4-12).

Man cannot escape death or the judgment (Hebrews 9:27).

A Christian who is faithful till death cannot lose his reward (Matthew 10:42; 1 Corinthians 15:58).—Brent Smith

Whose Hand Is It In

You place a basketball in my hand and we can play a pickup game of basketball. You place a basketball in Michael Jordan's hand and you get six NBA championship rings. It just depends on whose hand it's in.

You place a football in my hand and I can toss it to my grandson. You place a football in Peyton Manning's hand and you get a 19 million dollar contract. It just depends on whose hand it's in.

You place a mathematical formula in my hand and you get confusion. You place a mathematical formula in Albert Einstein's hand and you get the laws of relativity. It just depends on whose hand it's in.

You place a rod in my hand and I can beat an angry dog away from me. You place a rod in Moses' hand and he will part the Red Sea. It just depends on whose hand it's in.

You place a stone and a slingshot in my hand and you get a kid's toy. You place a stone and a slingshot in David's hand and you slay a giant. It just depends on whose hand it's in.

You place two fish and five loaves of bread in my hand, and you get a couple of sandwiches. You place them in Jesus' hand and 5,000 men are fed. It just depends on whose hand it's in.

You place some nails in my hand and you might get a birdhouse. You place nails in Jesus' hand and you get the forgiveness of sins. It just depends on whose hand it's in.
