

“...strengthen thy brethren”

Luke 22:32

CHURCH OF CHRIST

of Genesee County

August 11, 2013

5284 Fenton Road, Flint Michigan 48507

Preacher: Michael Golwitzer (810) 771-4627

Welcome All:

We are thankful to have you with us today. The Lord's church here is dedicated to the restoration of New Testament Christianity, respecting both the authority and the silence of the Scriptures.

Again, thank you for worshipping God today.

Helen Summers

Our Gospel Meeting.

All precious souls in Genesee County that they obey the gospel of Jesus Christ.

**(AM) Chosen of God, and Precious
(PM) And the Word of God Increased**

Our first gospel meeting in our new location, Amen!

I pray that this will be the first of many—Lord willing. It is wonderful that Charles Coats has agreed to preach our gospel meeting. He and the Webberville church of Christ has been an encouragement and a source of strength to us in preaching the gospel. We have so many that support us directly and have prayed for us that the baptisms and restorations are accounted to them for treasure in heaven. All the work that our members have done to ready our new location and to promote the preaching of the Word of Jesus Christ in Genesee County has been a blessing, joy, treasure, and precious fellowship as we have continued to grow together.

It is our prayer that the fellowship we enjoy will inspire you to follow His precious Son, Jesus Christ. Our humble efforts have resulted in souls saved because we trust in the Word of God and speak where the Bible speaks and remain silent where the Bible is silent. God gives the increase and we are forever grateful. It is our prayer that God will bless us in the gospel meeting.

You, as a member of this congregation and this work for the Lord determine the success of this meeting by your attendance. When visitors come let them know by your example in attendance that you love the truth, the Lord Jesus Christ and the work that we have begun in his name. Plan now to be at every service. You will be blessed and encouraged.
