I Want to be Loved Like That

An article on the Internet attributed to *National Geographic* several years ago provided a penetrating picture of God's love for us...

After a forest fire in Yellowstone National Park, forest rangers began their trek up a mountain to assess the inferno's damage. One ranger found a bird literally petrified in ashes, perched statuesquely on the ground at the base of a tree. Somewhat sickened by the eerie sight, he knocked over the bird with a stick. When he struck it, three tiny chicks scurried from under their dead mother's wings. The loving mother, keenly aware of impending disaster, had carried her offspring to the base of the tree and had gathered them under her wings, instinctively knowing that toxic smoke would rise. She could have flown to safety but had refused to abandon her babies. When the blaze had arrived and the heat had scorched her small body, the mother had remained steadfast. Because she had been willing to die, those under the cover of her wings would live. Jesus came and took the punishment for our sins...He literally died that we might live (Rm. 5:6-8; 1 Cor. 15:3; 2 Cor. 5:15). (HTH)

“He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler” (Psalm 91:4)

I Attend the Church of Christ Because...

Below are some of the comments 6-8th graders gave when responding to the statement: “I attend the church of Christ because”

- to worship God.
- we need to go to heaven. And the Bible says you need to go to the church of Christ. And my daddy teaches at one. And my friends go to a church of Christ.
- come here to learn about God and listen to the preacher.
- want to go to heaven and see my Christ!
- want to be a Christian.
- to learn about God and Jesus.
- God told me to. I like to, because I love God. Because I want to mind God.
- My parents made me because they were going here.
- I like to know more about Christ. Every time I go I learn more.

Give children credit for understanding and possessing good hearts and inquisitive minds.
