“Study to shew thyself approved unto God...” 2 Tim. 2:15

When I read this article in House to House Heart to Heart I thought about our “Snow Bird” Christians that go south to Florida. They know about the oranges in Florida. This article encourages Bible study.

NO ORANGE JUICE IN FLORIDA? One spring our family was driving from Fort Lauderdale to Tampa, Florida. As far as the eye could see, orange trees were loaded with fruit. When we stopped for breakfast, I ordered orange juice with my eggs. “I’m sorry,” the waitress said. “I can’t bring you orange juice. Our machine is broken.” At first I was dumbfounded. We were surrounded by millions of oranges, and I knew they had oranges in the kitchen—orange slices garnished our plates. What was the problem? No juice? Hardly. We were surrounded by thousands of gallons of juice. The problem was they had become dependent on a machine to get it.

Christians are sometimes like that. They may be surrounded by Bibles in their homes, but if something should happen to the Sunday morning preaching service, they would have no nourishment for their souls. The problem is not a lack of spiritual food—but that many Christians haven’t grown enough to know how to get it for themselves.-*Leadership, Vol. 5, #3*
