**Don't Give Up**

Babe Ruth struck out 1,333 times. But we remember him for his 714 home runs. Cy Young, one of the greatest pitchers, won 511 games. But few know he also lost more games than any pitcher (316). Abraham Lincoln was badly beaten when he ran for the legislature. He then failed in business and spent seventeen years paying off the debt. He failed in an effort to get an appointment to the U.S. Land Office. He was defeated in his race for Senate, and again in his effort to be elected Vice-President. He had one setback after another, but eventually became the President of the United States. He was not a “quitter.” He had stickability.

Many Christians “believe for a while, and in time of temptation fall away” (Luke 8:13). Like Israel we have a tendency to forget God (Jeremiah 2:32). In most communities, there are those who once were faithful but are not now. Maybe they do not attend classes, night services, or other meetings as they once did. They have ceased to participate in the work of the local church. Their light has gone out (Matthew 5:14–16). They have virtually quit. But a winner never quits, and a quitter never wins. Let’s be doers—not quitters! —Clarence DeLoach, Jr.

## What Are Your Priorities?

What priorities are established in our children when:

1. We are early to the game but late to worship?
2. We see that our children do their homework but never check to see if Bible lessons are completed?
3. They cannot stay up late on school nights, but they can stay up and watch the late show on Saturday night?
4. We will not let them miss school, even though they do not want to attend, but cater to their whims and let them miss Bible school?
5. We know the names of their school teachers, but we cannot call the names of their Bible class teachers?
6. We will serve as room mother or PTA president at school but cannot find time to help with a function in the Bible class?
7. We attend public school open house but not open house on last day of VBS?
8. We will not schedule vacations during public school, but will during VBS and gospel meetings?
9. They see us go to work, even though we do not feel too well, but stay home from church under the same circumstances?
10. They see us examine their school work but not pay any attention to their handwork brought from Bible classes?
