## **Christians Should Examine Islam**

With the advent of 9/11, our world, and the way we view it, has been forever altered. As you well know, Islam has not only captured international attention, it is expanding its influence and making extensive encroachments into American culture. Almost on a daily basis, the average American is stunned, even shocked, to hear of the concessions being made to Islam in America. From permitting the construction of a mosque near ground zero, to building taxpayer-funded prayer rooms for Muslims on college campuses, Islam's encroachments are steadily increasing. Over 1,200 mosques dot the American landscape—most built within the last two decades—and more being built every day. Influential American authorities—from politicians to public school educators—are promulgating the equal acceptance and promotion of Islam in public life.

Now is the time for Christians to be informed. Now is the time for Christians to prepare themselves to help Muslims to see the truth. Five years ago, Apologetics Press released *The Quran Unveiled*, a volume intended to provide readers with an analysis of the fountain head of Islam: the Quran. Indeed, the authenticity of Islam rests on the credibility of the Quran. If the Quran is from God, it must possess the self-authenticating attributes and characteristics of divine inspiration. If it is not from God, though it may possess certain positive, even valuable,

qualities, it must be rejected as disqualified to legislate human behavior in an absolute and ultimate sense. The primary purpose of *The Quran Unveiled* is to examine Islam's holy book with a view toward ascertaining whether it is, in fact, of supernatural origin.

Apologetics Press continues to surge forward to maintain its cutting edge articulation of New Testament truth to current culture. Responding to the upsurge of Muslims into America is a part of this effort to teach the truth for Christ. We dare not ignore what is happening to the country. We must prepare ourselves to "make a defense" (1 Peter 3:15). In this month's edition of *Resources* (inside R&R), you'll find an advertisement with order information regarding how to purchase a copy of the book. Additionally, a DVD set of the live Islam Seminar is available. We urge you to take advantage of these tools in your evangelistic efforts to point people to Jesus Christ. by Dave Miller, Ph.D.
